BLEU PROVENCE

Everything we've tried on the menu at Bleu Provence is very good. We lean into the foie gras, escargot and duck leg confit. If you are a wine drinker, the best option is to work with the wine specialist to select wines and pair your food to accentuate the wine! Introduce yourself to founder Jacques and his son, Clement, who is a very talented sommelier. This fantastic restaurant that captures the essence of old Naples, with a charming French twist. One of the best French wine lists to be found outside of France. Especially for Burgundy. And the owners, a family, are in the restaurant nightly.
