“C’est très bon!” crow enthusiasts of this Naples “labor of love” that “enchants” with “consistent” French fare spanning “many of the traditional bistro dishes”; “from the moment you walk in, you’re welcomed and delighted” by the “exceptional” staff and “handsome” Provençal decor, and while it’s “pricey”, there’s “a fantastic early-bird special”; P.S. “in nice weather”, try for the “wonderful” garden.
