**KEVIN CARIOT
MANAGER**

In 2004, Kevin joined the Bleu Provence team full-time, working in various positions, while attending Florida Southwestern State College. Today, with over 20-years of hospitality experience, Kevin has extensive knowledge of both front-of-the-house and back-of-the-house operations. Fluent in French, Spanish and English, he is an exceptional host to Bleu's world-traveling clientele.

From meticulously maintaining Bleu Provence's extensive Grand Award-winning wine list and inventory of over 60,000 bottles in-house, to handling deliveries and the daily sales of Bleu Provence Fine Wines, the company's retail wine store, Kevin plays an integral role in the company's daily operations.

When Kevin is not busy at Bleu, he enjoys spending time with his son, Kean, and his daughter, Emilia, who is also fluent in French, Spanish and English. In order to live a balanced lifestyle, Kevin and his family enjoy various outdoor activities, such as going to the park or the beach.
